FMM 4th International Conference on Excellence in Manufacturing

2 June 2009 • Impiana KLCC Hotel & Spa, Kuala Lumpur

The Federation of Malaysian Manufacturers (FMM) 4th International Conference on Excellence in Manufacturing will focus on strategies for operational and management excellence in manufacturing and international value chains. It will highlight approaches used by industry leaders to manage the globalization of manufacturing value chains. The Conference will present CEOs' perspectives of global manufacturing, latest trends in globalization and manufacturing for operational and supply networks, business operational models to add value in international manufacturing and supply chains, and to focus on business strategy through innovation.

MIDA Seminar: Investment Opportunities in the Manufacturing and Services Sectors in Malaysia

3 June 2009 • Kuala Lumpur Convention Centre

The seminar will highlight Malaysia's favourable environment for investors while allowing participants to create business ties with leaders in the region. Participants will learn about:

- Current economic situation in Malaysia
- Business opportunities available and promoted in the manufacturing and services sectors
- Trade opportunities with Malaysia

Participants will meet and network with Malaysian companies and develop strategic business partnerships during the business-matching sessions organised for pre-registered participants.

SMIDEX 2009

3 - 5 June 2009 • Kuala Lumpur Convention Centre

This annual event organised by Small and Medium Industries Development Corporation, Malaysia (SMIDEC) which serves as an avenue for small and medium-sized enterprises (SMEs) to network and exhibit products and services to potential buyers. Large companies and multinational companies (MNCs) are also invited to explore new technologies and business opportunities with supplier and partners during this annual event. SMIDEX 2009 will be held concurrently with the 6th World Chambers Congress on 3 - 5 June 2009.
